## PERIOD® A RICK LIVINGSTON DESIGN FIRM

THE HAMPTON DESIGNER SHOWHOUSE  
ROOM-AT-A-GLANCE

### **A SUMMER'S EVENING: THE SERENITY OF NATURE...BROUGHT TO THE TABLE DETAIL \*\* TEXTURE \*\* COLOR**

- ROOM:** THE DINING ROOM (APPROXIMATELY 16' x 17')
- LOCATION:** ADJACENT TO THE SHOWHOUSE ENTRANCE, THE DINING ROOM IS ONE OF THE FIRST AND MOST FREQUENTLY VISITED AREAS OF THE HOUSE, WHICH IS EXPECTED TO ATTRACT OVER 10,000 VISITORS.

#### **SYNOPSIS:**

ENTITLED **A SUMMER'S EVENING: THE SERENITY OF NATURE...BROUGHT TO THE TABLE**; PERIOD'S ROOM FOR THE SHOWHOUSE WAS INSPIRED BY THE MULTI-FACETED ELEMENTS OF NATURE. THE CREATIVE TEAM LITERALLY "BROUGHT" NATURE TO THE TABLE, FOCUSING ON DETAIL, TEXTURE AND COLOR AS THEY CONCEIVED AND DESIGNED THE ROOM. FROM A CUSTOM-DESIGNED BUFFET -- FEATURING UNIQUE MOTHER OF PEARL DETAIL -- TO NATURAL CORAL IN THE WINDOW AREA, THE TEXTURAL ELEMENTS ARE REMINISCENT OF THE NATURAL BEAUTY OF THE AREA. TREES, THE OCEAN, AND THE BEAUTIFUL LANDSCAPE THAT ARE SYMBOLIC OF THE HAMPTONS, ARE ALL REPRESENTED IN THE ROOM IN SOME WAY. TO CREATE A SENSE OF SERENITY, THEY TRANSFERRED PHOTOGRAPHS TAKEN ON THE SOUTH FORK OF LONG ISLAND ONTO CUSTOM-DESIGNED PANELS -- CREATING A "CANOPY" EFFECT IN THE DINING ROOM. THIS IS NOT A DUAL-PURPOSE ROOM BUT ONE THAT FOCUSES SOLELY ON PROVIDING A SERENE ENVIRONMENT THAT WORKS TO ENCOURAGE A LONG, LEISURELY DINING EXPERIENCE WHILE CAPTURING THE TRUE BEAUTY OF THE HAMPTONS LIFESTYLE.

#### **DETAILS & RESOURCES:**
